

# THE CORSAVA JOURNEY

## CARD SORT

### Students complete the card sort

The Corsava Card Sort helps students discover their deeper college preferences, such as a collaborative environment.

See our [Card Sort Overview](#) to learn more.

## CORSAVA REPORT

### Preferences are consolidated in a report

The Corsava Report summarizes a student's card sort results by category and level of importance.

See the [Corsava Report](#) to learn more.

## COLLEGE RECOMMENDATIONS

### College recommendations generated

College recommendations based on a student's card sort results are available in the Counselor Café.

See [College Recommendations & Research](#) to learn more.

## MY COLLEGES/MY IMPRESSIONS

### Students add their colleges to their list

Students rate their top preferences for all colleges on their list. Corsava generates a rank-ordered list from these ratings.

See [Assigning College Exploration](#) to learn more.
